

Presidents Report

A record year in 2016 if not for a \$337,000 write off on the clubs roof repairs

Thanks to members and visitors who come to enjoy our facilities.

Many thanks to Kiel Emerton who managed to pay down current loans and put up a new roof, including some new air-conditioning and complete new enlarged ducting. The remainder of the Air-conditioning is to be addressed during new alterations to the club, which will hopefully be completed by late 2017.

I thank the Board who have positive and progressive attitudes with transparency.

Big congratulations to the staff for their friendly attitude to all our patrons.

This club has started 2017 on a high note which defies the trend that is in some of our Hunter District Clubs. This healthy club will continue to have improved facilities which will be to the benefit of all our members and guests.

Once again, a massive thanks to all our staff.

Garry Davies

President
