

Presidents Report

Another successful year for our Swansea RSL Club.

We are in a strong position to go ahead with the much needed extensions.

Thanks to our General Manager Kiel, who has reduced our debt, put money in the bank and has been very instrumental in the planning and collaboration with EJE our architects, Madden our quantity surveyors and Cutcher & Neale our accountants, for our much needed extensions.

Because April is a very busy month for us, we expect to start extensions in May 2018.

We hoped for an earlier start but contract deliberations have taken more time than we envisaged. However, we are looking forward to the completion and the extra room for our patrons in the dining and new deck area.

I need to thank our diligent and friendly staff especially those in the kitchen who are often under the pump in such a small area but deliver quality. A larger working area cannot come soon enough.

I am, proud to be President of such a great club, Swansea RSL.

Thank you

Garry Davies
